An abstract geometric composition featuring a series of black and white rectangles and lines. A thick black horizontal line spans the width of the page. To the right, a vertical black bar is partially visible. Various other rectangles of different sizes and orientations are scattered across the page, some overlapping the main horizontal line. The overall effect is a minimalist, high-contrast graphic.

An abstract geometric design featuring a series of black and white rectangles and squares of various sizes, arranged in a grid-like pattern. The design is composed of solid black shapes and white shapes with black outlines. The shapes are arranged in a way that creates a sense of depth and perspective, with some shapes appearing to be in front of others. The overall effect is a minimalist, modern aesthetic.

An abstract geometric composition featuring a series of black and white rectangular blocks and lines. A prominent horizontal black bar spans the width of the page near the bottom. To its right, a vertical black bar extends upwards. Various other rectangular shapes, some solid black and others white with black outlines, are arranged in a non-uniform, overlapping fashion, creating a complex, architectural feel. The word "GRADES" is printed in a serif font at the bottom left.
